By an Order of Reference dated December 17, 2024, this case was referred to me for settlement. ECF No. 29. As soon as practicable, the parties are directed to contact Chambers at RicardoNYSDChambers@nysd.uscourts.gov, copying all counsel or pro se litigants if they are unrepresented, to schedule a settlement conference for a time when they believe it would be productive. In light of the Court's calendar, settlement conferences generally must be scheduled approximately six weeks in advance. The parties are also directed to review the "Procedures for All Cases Referred for Settlement to Magistrate Judge Henry J. Ricardo," available at <https://nysd.uscourts.gov/hon-henry-j-ricardo>.
